

St. John Paul II Catholic School 2016-2017 Student Directory Advertising

**Advertise for 365 days
for pennies a day!**

It is that time again to solicit for advertising for the **2016-2017** St. John Paul II Catholic School Student Directory! Advertise your business or solicit from local businesses for them to advertise.

The directory format and size will be similar to last year's format. Each family will receive one complimentary copy, and additional copies will be available for sale.

Completed form, check, and advertising in electronic format must be received by **August 15, 2016** in order to reserve an advertising space (see form for details).

75% of solicited advertising costs in the 2016-2017 Student Directory will count for the 2016-2017 school year **family commitment** (for example, a full page \$300 ad will yield \$225 of family commitment). Please check the on-line business directory for list of assigned and released businesses (you can find the online business directory on the school website, under Parent Corner > Business Directory).

Advertising Order Forms will be available at www.jp2.org beginning April 22, 2016

Complete the Advertising Order Form(s) and mail/deliver to the school
