It is important that you notify the bank of the month that you wish for your loan payments to begin. Otherwise, it is standard practice that loan repayments would begin in the month following loan approval. The terms of the underlying agreement between the school and the bank require that all tuition loans for the 2023-24 school year be paid in full by April 28, 2023.

In order to meet the school's tuition due date of April 28, 2023 (for current families),
Applications must be received by the bank
no later than **April 7, 2023**.

*** Late fees will be applied if loans are not processed and funded on due date***
